

CMHC Housing Solutions

Canada 

	Seed Funding	Preservation Funding	National Housing Co-Investment Fund	Affordable Housing Innovation Fund	Federal Lands Initiative	Rental Construction Financing Initiative (Direct Insured Lending)	Mortgage Loan Insurance (MLI)	MLI Flex
Description	Interest-free loans and non-repayable contributions to develop and preserve affordable housing	Financial assistance to help housing providers (currently under a federally administered operating agreement) complete activities that will allow them to transition to a more viable and sustainable model, as well as prepare them for future funding opportunities	Low-cost repayable loans and capital contributions to create new or repair existing affordable housing that covers a broad range of housing needs	Repayable or forgivable loans and financial contributions to encourage new funding models and innovative building techniques to revolutionize the affordable housing sector	Non-repayable contributions to support the transfer of surplus federal properties at discounted to no cost for the development of affordable housing	Low-cost loans to encourage construction of rental housing across Canada where the need for supply of rental housing is clearly demonstrated	Mortgage loan insurance products to support the construction, purchase and refinancing of multi-unit residential rental properties	
Benefits	<p>New construction: Supports costs for completing predevelopment activities related to the construction of new affordable housing supply</p> <p>Preservation: Supports costs for completing preservation activities related to the sustainability of existing community housing projects</p>	Helps to cover costs of completing preservation activities related to the sustainability of existing community housing projects	Offers long-term, low-cost loans and/or contributions to ensure that existing rental housing is not lost to disrepair and that new, high-performing, affordable housing is built close to needed supports and amenities such as public transit, jobs, daycares, schools and health care	Tests new, innovative financing models and unique designs used to make housing more accessible and lower the costs and risks associated with affordable housing projects	Creates new affordable, sustainable, accessible and socially inclusive housing through repurposing of surplus federal properties	Offers low-cost loans to housing developers, non-profit organizations and municipalities during the earliest stage of new rental housing development; benefits include a 10-year fixed-rate loan term, up to 50-year amortization period and mortgage loan insurance	Provides access to preferred interest rates, lowering borrowing costs for the construction, purchase and refinance of multi-unit residential properties, facilitates renewals throughout the life of the mortgage and provides opportunities for lower premiums where units are made affordable	Offers flexibilities to encourage the construction, preservation and improvement of affordable rental properties, helping Canadians meet their rental housing needs. Flexibilities include higher loan-to-value ratios, lower debt coverage ratios and reduced premiums
Property type	<ul style="list-style-type: none"> • All tenure types and building forms • No restrictions on future residents of the project • Must have a minimum of 5 affordable units (beds) • Primary use must be residential 	All tenure types or building forms	<ul style="list-style-type: none"> • Community and affordable housing • Urban indigenous community housing • Mixed use market/affordable rental housing • Shelters • Transitional housing • Supportive housing • Affordable homeownership 	Varies based on projects	<ul style="list-style-type: none"> • Mixed-income • Mixed-use (non-residential component should not typically exceed 30% of gross floor area) • Mixed-tenure • Shelters • Transitional housing • Supportive housing • Rental housing • Affordable homeownership 	Standard rental apartment buildings	<ul style="list-style-type: none"> • Standard apartment • Retirement housing • Supportive housing • Single room occupancy • Student housing 	<ul style="list-style-type: none"> • Standard apartment • Retirement housing • Supportive housing • Single room occupancy
